# The Richard Dix Memorial Trophy Race

Richard was a very keen and enthusiastic member of the Kart Club, & started his racing at Belle Vue with members such as Robert Miere, Steve Davis, Reg Roberts, Roger Norman just to name a few. Richard would always offer a helping hand to anyone, especially the junior section. He has been sponsoring a race for the juniors for a number of years, and also donated probably the most coveted trophy at the Annual Prize Giving, which is awarded to any member who is felt to encompass the whole ethos of the Club. We thank Malcolm and Rosemary Pallot (Dixie's Brother-in-law & sister) for arranging this event.

# mazda

To complete all the proposed works we **need** to raise **as soon as possible** another **£20,000** and then commence on-going fundraising to repay the current outstanding loans, that amount to **£18,000** (tbc).

We need our members, their friends and family to assist however you can and we have a number of fund raising ideas and will ask for your support.

### **50 Club**

The first is fairly simple and we hope as many of you as possible will join. Here's how it works... Set up (via forms supplied) a £10 per month Standing Order. This buys you one membership number which enters you into the monthly draw. All participants must be at least 18 yrs of age. The draw will take place at the monthly committee meeting each month. If you win you will receive 50% of the membership fee taken that month. The remaining 50% goes to the Club to help fund the track development, equipment and resources. We will be looking at opportunities to raise funds by car washes, bag packs, car boots and other wonderful ideas (if you have some please let us know) *Jersey Gambling Commission Registration Number: CR-1016-17*

### **Sponsorship**

We are delighted to have Bel Royal Motors & MAZDA as our 2017 Sponsor and hope they will continue next year. We are keen to speak to other organisations that may be interested in sponsoring events or parts of the track, branding rights, potential corporate hospitality for 2018 and beyond.

### **Donations**

At present there is an immediate need to raise more capital to complete all elements of the track infrastructure. We are very lucky to have already received donations and indications of future support and if anyone wants to discuss how they would like to help the Club by way of a donation, no matter the amount, then please contact me.

### **500 Club Bonds**

Not everyone is in a financial position to make a donation but if you feel you can make a £500 available to the club for a few years then you might be able to make all the difference in helping fill our funding gap.

What is proposed is that members can buy '500 Club' Bonds for £500 each. They will not bear any interest and the Club would at the AGM each year (starting 2018) draw at least two of the bond numbers for repayment. We aim to repay all bonds within 10 yrs, though this is not guaranteed and the Bonds do carry a risk of non-payment. However the Bond holders, as Club members and their family and friends, would have a personal interest in the success of the Club so we believe in the medium term all bonds would be repaid.

At present the bond paperwork is being finalised with lawyers, but if you are interested in the possibility of buying one or more bonds please again contact me in the first instance to formally register your interest.

### **Thank you**

It is truly amazing what can be achieved when we all give a little of our time, skills and of course money. As a Club we are creating an exciting and challenging track at an iconic location that will be enjoyed for decades to come. I am proud to have played a very small role in that achievement and I am so impressed at how much time and effort a small number of people have put in at various working parties to make this a reality. Thank you for taking the time to read this note and for considering supporting your Club.
