

**Celebrating 60 Years of Jersey Kart & Motor Club  
1960 - 2020**

# **13<sup>th</sup> September 2020**

## **CHAMPIONSHIP ROUND 11**

**Foreword by the Club President:**

Welcome to Round 11 of the revised Jersey Kart & Motor Club 2020 Championship.

Racing so far has been close, competitive and very entertaining. It's such a shame that we don't have any spectators to enjoy this, however we have to adhere to the guidance and advice being given by each of the bodies that control how we operate under the prevailing situation.

The Trophy event evening was a great success, we continue to be able to carry out events while adhering to the guidelines and advice received from each of our controlling entities. A Big thank you to Basil Jeanne and Jane & Steve Churchill for promoting the evening.

It's with regret that this will be John Sutherland's last event for the Club. John has provided paramedic cover to us for around 20 years so we'll miss him greatly, but fully support his wish to spend more time with his family and grandchildren and we all wish him well and thank him for his contribution.

I hope that we enjoy another great day of racing. Please remember to respect the decisions and advice of the Officials; they, like many others, give their time so that you can enjoy racing - they're also happy to answer any questions you might have on the day. A great deal of work is going on in the background to ensure that racing can continue.

Respect & Enjoy, Graeme

# COVID-19

This race weekend is taking place following advice from the Government of Jersey (Level 2 framework) and from Motorsports UK. **It is imperative that the guidelines are adhered to over the race weekend.**

For now we ask that you enjoy the race weekend, but follow the guidelines laid out in the communications you have received from the Club. For the avoidance of doubt, should Government of Jersey have moved to level 1 of the Safe Exit Framework by this race weekend, we shall still operate the race meeting as at Level 2, because this is the basis under which we have been allowed to run the race weekend.

## **Key messages:**

### **Safer hygiene**

- Wash your hands regularly
- Catch coughs & sneezes in a tissue, bin it & wash your hands
- Clean the shared toilets after use (cleaning products supplied)

### **Safer at a distance:**

- Stay within your bubble and please do not interact with people in other bubbles.
- Keep a minimum of 1 metre apart between other people in your bubble
- If you need to interact with someone from the 'Officials' bubble, then please do so from a distance of 2 metres or more.
